

We invite you to join us for the

ANNUAL FALL GATHERING

Saturday October 4, 12:00-2:30 pm

Finger food potluck followed by a program
focused on hope and inspiration.

PEACE Iowa will share our plans to pursue **peace-themed public art** in Iowa City, first a bench downtown and then possibly a mural. We will discuss the process and brainstorm ideas for expressing our hopes for peace in visual art.

Local peace activist Ed Flaherty, long-time Veterans for Peace and PEACE Iowa member, will briefly talk about what gives him **hope and inspiration during these challenging times**. One or two other local activists will speak briefly on the same theme, followed by group discussion.

**City Park, 200 Park Rd.
Iowa City, Shelter 8**

Shelter 8 is fully enclosed and near the pond
in lower City Park. Everyone is welcome!
